Laura Quintana
VP & General Manager, Cisco Networking Academy
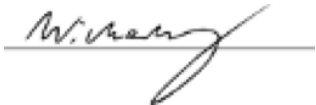

Statement of Achievement

JavaScript Essentials 1 (JSE)

The graduate of the *JavaScript Essentials 1 (JSE)* course, provided by **Cisco Networking Academy®** in collaboration with **OpenEDG JavaScript Institute**:

- knows the syntax of the core JavaScript language to a degree that allows them to work with variables, operators, control flow, and functions;

- knows the basics of the JavaScript data types system, distinguishing between primitive and complex types, and is able to choose a type adequate to their needs;

- thinks algorithmically and can analyze a problem using a programmatic conceptual apparatus;

- knows how a program is interpreted and executed in an actual computer environment, and can design, develop, and improve very simple JavaScript programs;

- can interpret and handle basic exceptions related to errors in program execution;

- understands a programmer's work in the software development process, and the role of fundamental development tools.
